You can view upcoming events from the homepage or find the activity by hovering over the Live Activities menu.

Yellow arrows point from the 'LIVE ACTIVITIES' menu to the 'UPCOMING EVENTS' sidebar and from the 'FACULTY DEVELOPMENT' option to the 'LIVE ACTIVITIES' menu.

Step 2 – Scroll to the bottom of the session and click Take Course

By clicking this button you will be registered for the event. You can now complete any available tasks or wait until the day of the session.

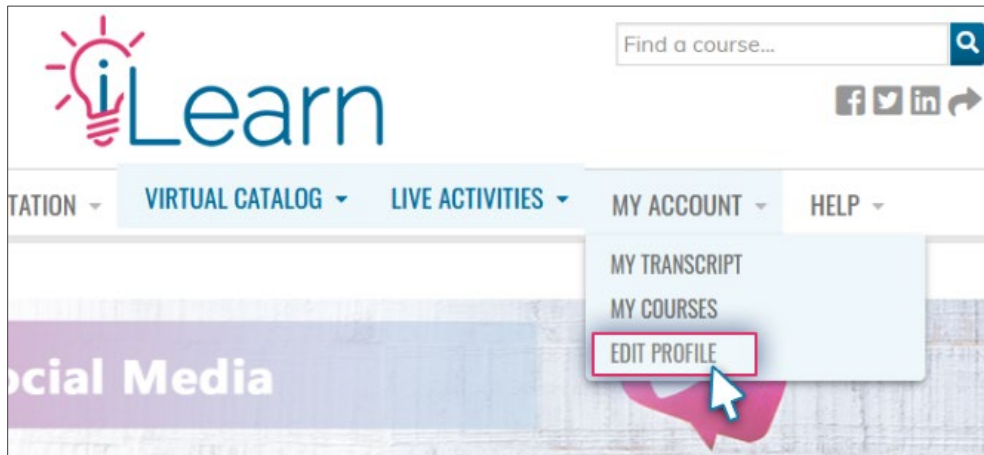

The screenshot shows the details for a session. The 'SESSION DATE' is Friday, November 20, 2020 - 8:00am to 9:00am. The session is worth 1.00 AMA PRA Category 1 Credit™. Below the text, a blue button labeled 'TAKE COURSE >' is highlighted with a yellow border.

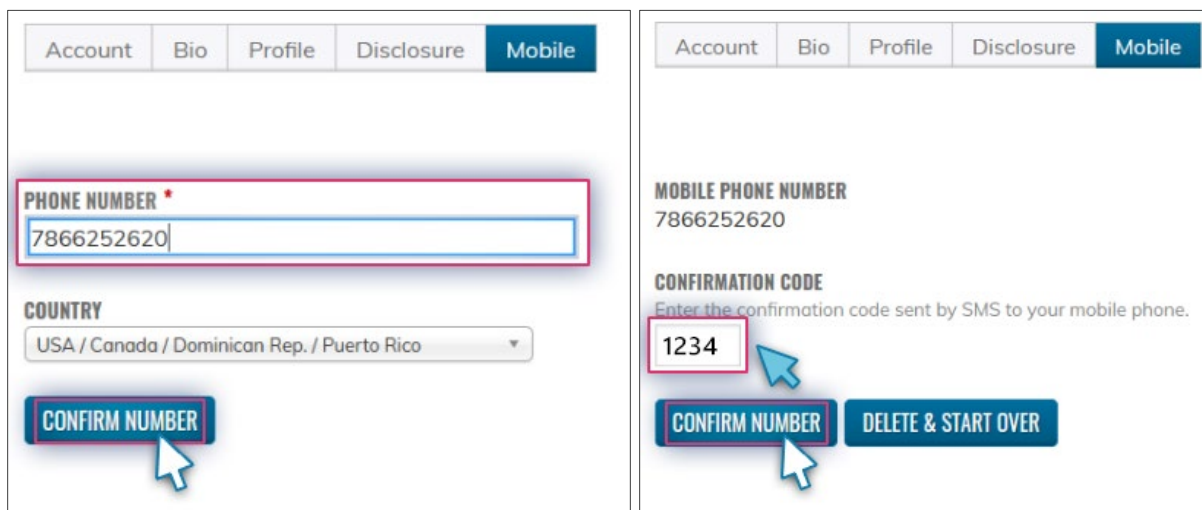

If the button doesn't show: (1) make sure you're logged in, (2) make sure the session hasn't already happened. If you believe the button isn't showing in error, please contact us at cme@nicklaushealth.org.

Mark your attendance

Get the attendance code during the session

Attendance codes are **unique** and change with every session. **For Tumor, Cardiology, Trauma, or Radiology Conference:** Speak to the conference coordinator for instructions.

For GRAND ROUNDS: Codes are shown at the beginning and at the end of the session. We will also put it in the Zoom chat (see below). *We will not send codes via email or provide them outside of the session.*

From here, you have two ways to use the code to mark your attendance...

Method One – Text the code

Text the code to **954-266-0882**. This number will not change, we recommend you save it for easy access. We recommend this method if you have your mobile number set up (instructions on page 2 of this guide).

Method Two – Enter it manually on iLearn

When completing your survey(s) for the session on iLearn, *before* claiming credit for the session, you will be asked to confirm your attendance. You can enter the code in the space provided.
