Surgical Management of Craniopagus Twins

Marion L. (Jack) Walker, MD
Emeritus Professor of Neurological Surgery
Department of Neurological Surgery
Division of Pediatric Neurosurgery
University of Utah Health Sciences Center
Salt Lake City, Utah

Objectives

At the conclusion of this presentation, attendees are expected to:

- 1. Understand the importance of venous drainage in craniopagus twins*
- 2. Make the decision to proceed to surgical separation*
- 3. Be familiar with the conditions surrounding achieving the final separation*

Accreditation Statement: Nicklaus Children's Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement: Nicklaus Children's Hospital designates this live activity for a maximum of *1 AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.
