Pediatric Obesity and Type 2 Diabetes: Challenges & New Advances

Andrea Granados, MD

Attending, Division of Pediatric Endocrinology
Nicklaus Children's Pediatric Specialists
Nicklaus Children's Hospital
Miami, Florida

Objectives

At the conclusion of this presentation, attendees are expected to:

- 1. Review current evidence-based recommendations for screening, diagnosing, and treating pediatric obesity and type 2 diabetes*
- 2. Recognize novel therapies and knowledge gaps in pediatric obesity and type 2 diabetes*
- 3. Understand the differences in B-cell function and response to medical therapy in youths versus adults with type 2 diabetes*

Accreditation Statement: Nicklaus Children's Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement: Nicklaus Children's Hospital designates this live activity for a maximum of *1 AMA PRA Category 1 Credit(s)™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Faculty/Planner Disclosure Policy: In accordance with the Accreditation Council for Continuing Medical Education's Standards for Integrity and Independence, all planners, teachers, and authors involved in the development of CME content are required to disclose to the accredited provider their relevant financial relationships. Relevant financial relationships will be disclosed to the activity audience.
