The Do's and Don'ts of Sustainable Mission Work

Martin Kaefer, MD, FAAP
Professor of Urology
Indiana University
Riley Hospital for Children
Indiana University (IU) Health
Indianapolis, IN

Objectives: At the conclusion of this presentation, attendees are expected to:

1. Have a better understanding of what is needed to provide sustainable service in international mission endeavors
2. Better understand the impact of variable resources in determining the proper choice of medical/ surgical care in the host country
3. Understand not only the positive but also the potential negative implications of providing medical care in a foreign country
