Polycystic Ovary Syndrome (PCOS) in Adolescents: A Syndrome that Can Present Without Cysts

Marcela Nur, MD, FAAP
Adolescent & Young Adult Medicine
Lee Health Physicians Group
Fort Myers, Florida

Objectives

At the conclusion of this presentation, attendees are expected to:

1. List the diagnostic criteria of PCOS in adolescents
2. Formulate a diagnostic work-up for adolescents suspected of having PCOS
3. Outline therapies for different clinical problems associated with PCOS

Accreditation Statement: Nicklaus Children's Hospital is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement: Nicklaus Children's Hospital designates this live activity for a maximum of 1 *AMA PRA Category 1 Credit(s)*TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Faculty/Planner Disclosure Policy: In accordance with the Accreditation Council for Continuing Medical Education's Standards for Commercial Support, all planners, teachers, and authors involved in the development of CME content are required to disclose to the accredited provider their relevant financial relationships. Relevant financial relationships will be disclosed to the activity audience.

Commercial Support Disclosure: No Commercial Support was received for this activity.

The Planning Committee and Staff have no conflicts of interest to declare.
