

Friday, January 12, 2024 | 8:00 a.m.– 9:00 a.m. | Main Auditorium & Virtual

## Is the Microbiome the Next Frontier in Treating GI Diseases?

Stacy A. Kahn, MD

Director, FMT and Microbial Therapeutics Program

Attending Physician

Inflammatory Bowel Disease Center

Boston Children's Hospital

Boston, MA

**Objectives:** At the conclusion of this presentation, attendees are expected to:

1. Understand the role of the microbiome in health and disease
2. Learn about fetal microbiota transplantation (FMT) preparation, logistics, risks and benefits
3. Describe the current data on FMT and microbiome-based therapies to treat GI diseases
