Environmental Justice: Engaging With Communities to Improve Child Health & Well-Being

Abby Nerlinger, MD, MPH, FAAP

Pediatric Hospitalist, Division of General Academic Pediatrics

Assistant Professor of Pediatrics, Sidney Kimmel Medical College/Thomas Jefferson University

Director, Pediatric Hospital Medicine Fellowship Nemours Children's Hospital

Medical Director for Research & Scholarship Delaware Valley, Nemours Value-Based Services Organization Wilmington, Delaware

Objectives: At the conclusion of this presentation, attendees are expected to:

1. Describe how environmental exposures are distributed inequitably and contribute to health disparities in children
2. Identify ways to recognize and address the disproportionate impact of environmental exposures in clinical practice
3. Describe actions to improve environmental exposures and health equity through community engagement and advocacy
