Diagnosis is a Team Sport: A Systems Approach to Promoting Diagnostic Excellence & Reducing Patient Harm

Meghan M. Galligan, MD, MSHP

Medical Director

Patient Safety & the Center for Diagnostic Excellence
Attending physician, Division of General Pediatrics

Children's Hospital of Philadelphia

Assistant Professor

Perelman School of Medicine
Philadelphia, PA

Objectives: At the conclusion of this presentation, attendees are expected to:

1. Define diagnostic excellence and understand its importance for patient care and outcomes
2. Understand that diagnostic outcomes are the product of the system, not of individual clinicians
3. Identify structures and processes to achieve diagnostic excellence within a health system
