Pediatric Thyroid Carcinoma: Who is at Risk and How Can We Optimize Care?

Andrew J. Bauer, MD

Director, The Thyroid Center
Division of Endocrinology & Diabetes
The Children's Hospital of Philadelphia
Professor of Pediatrics
Perelman School of Medicine
University of Pennsylvania
Philadelphia, PA

Objectives: At the conclusion of this presentation, attendees are expected to:

1. Recognize the risk factors for thyroid carcinoma as well as the clinical presentation
2. Describe opportunities to incorporate oncogenic driver into stratifying and optimizing surgical and medical management of thyroid nodules and thyroid carcinoma
3. Apply new knowledge to create an evaluation process for thyroid nodules in children and adolescents at your institute that optimizes outcome
