

Friday, April 10, 2026 | 8:00 a.m.– 9:00 a.m. | Main Auditorium & Virtual

Sudden Unexplained Death in Childhood: Slowly Unraveling the Mystery

Erin Bowen, MD, FAAP

Vice President, Sudden Unexplained Death in
Childhood Foundation (SUDC)

Pediatrician & Partner, Orange Pediatrics
Orange, CT

Objectives: At the conclusion of this presentation, attendees are expected to:

1. Define Sudden Unexplained Death in Childhood (SUDC) and differentiate between the categories of SUID (Sudden Unexpected Infant Death) and SUDC
2. Discuss the role of medical professionals in supporting families after the sudden and unexplained death of a child
3. Describe the resources available for families and medical professionals through the SUDC Foundation
4. Discuss the research that currently exist for SUDC and discuss the limitations that elude our understanding of this category of death
